Press Release: Figueras International Seating appoints Australian Agent

Internationally renowned seating manufacturer, Figueras, has appointed ShowTrek as its' Australian agent. Maria Noguero, Figueras' Sales Director in Australia, said that this is a strategic move in the company's growth activities in Australia. She added that ShowTrek's considerable custom engineering capabilities within the theatre, building and construction industries "are a perfect match to compliment Figueras' comprehensive product range".

"ShowTrek has the reputation, people and skills to provide an excellent service to a variety of Australian industry sectors including architectural, theatre and convention, and general building consultants", Noguero said. ShowTrek's principal, Steve Conroy, welcomes the opportunity: "ShowTrek is well known for providing this style of theatre infrastructure service. Our people have commissioned very high quality Modular Stages, custom Orchestral Risers, and associated products for many of the major venues in Australia and Singapore, over the past ten years."

With a history that goes back 80 years, Figueras International Seating is a leading global firm that leverages its specialized engineering and design capabilities to produce innovative high-end seating for public and multipurpose spaces. The Figueras seating solutions range from auditoriums and community centres, to theatres and convention centres, and to sports stadiums.

ShowTrek offers a range of product support and installation services for the vast portfolio of Figueras seating. ShowTrek has a reputation within the building & construction industry for delivering professional outcomes.

Figueras seating products can be found in some of the world's most iconic buildings including the White House pressroom (Washington, DC, USA), Room XX at the United Nations in Geneva (Switzerland), the Putrajaya International Convention Centre (Malaysia), the DR Byen Concert Hall in Copenhagen (Denmark), and La Salle School of Arts (Singapore). The firm has worked with many high-profile architects, such as Foster + Partners, OMA, Jean Nouvel, and Cox Rayner.

In the past few years, Figueras has supplied and installed seating into some of Australia's premier venues, including the Queensland Performing Arts Centre in Brisbane and Hamer Hall in Melbourne. Figueras has also applied their expertise in cinema seating to the IMAX cinemas in Sydney, Melbourne and Adelaide.
